

Invitation: Brainstorming „Access2Bremen“

Friday, 01st of July 2011, 5 to 7 p.m.

During a first meeting in May, Mrs. Andreea Diana Ghita informed us about her project „Access 2 Bremen“. The projects aims at offering counseling and integration support for Expats living in Bremen.

A cooperation with different institutions is aspired in order to provide information in English concerning issues relevant to arriving in Bremen. At the meeting first thoughts and ideas were brought together. That is why we would like to continue with a next meeting: develop the ideas together with everybody interested in this project.
